Membership: privileges and obligations begin with acceptance of this application, and are good as long as membership obligations are met. Fee schedules may be adjusted occasionally. Please attach proof of Rabies vaccination with your application, if we have a current copy; please provide an updated version when obtained."

Membership Privileges: Reduced training fees; first priority for enrolling in new beginner's sessions, first priority for attending hosted seminars with reduced fees whenever possible.

Membership Cost: For any one having attended Flexi's Pre-Agility and or Beginners class there is **no** charge for membership. For new handlers that started elsewhere and have joined at a level higher than Beginners, or for former members who have let their membership lapse, the cost is **(\$45.00)**. As long as membership is kept current, there is no further membership fee.

Membership Obligations & Attendance: Classes are limited to ten (10) dogs per class. Training fee of \$12.00 per dog per class payable every 8 (eight) weeks whether you attend each class or not. Skipping fees may result in loss of your place in that class. Members need to attend at least **15 (fifteen)** training classes in each **6 (six) month period** (Jan. through June, and July through Dec.). Failure to meet these obligations results in membership privileges being withdrawn for the remainder of the year, and possibly the following year (you may continue to attend classes as a non-member at the training fee of **(\$30.00)** per class per dog pending available space.

The following is to make any and all work involved with agility fair for everyone.

All Flexi members are needed/required to help at least three times with major moving of equipment in and out of the building when required by the 4H. A major move is when members drive to the building, totally independent of any class being held.

There are minor moves where at either the beginning or end of class, you will need to either carry equipment out to or in from a trailer or storage building in order to have a class. All students and Flexi members of that class will need to help with this.

After reading please initial here and sign the second sheet.

Membership Application

Membership Obligations Continued:

All Flexi members are required to help with either the set up (Friday) or break down (Sunday) at the USDAA spring and fall trial. This will require part of an afternoon and the time involved will be dependant on the number of people helping. (probably 3 hours) Flexi members are also required to help for one full day (either Sat or Sun) at the spring and fall USDAA trial.

If you are entered in any Flexi trial -- you will put on the workers schedule.

If you are unable to help in any way at a USDAA trial -- it is your responsibility to speak with Mary Lou 610.692.5418 about what you can do to make it up. There may be another way -- examples of this may be:

1. Straightening out the rubber mats
2. Assisting in cleaning the building
3. Painting equipment
4. Cleaning and scrubbing equipment
5. Cleaning and organizing equipment in storage building or trailer.

Members have been receiving discounted training -- please do your part to keep your discounted fees in effect. Failure to do your part as a member will result in your training fees being raised.

Please be fair to your fellow members and do your part. For all of you who have helped and will help -- thank you so much --

I have read the above and understand my rights, obligations and commitments to Flexible Flyers Agility Group and that all the information I have provided above is current and true.
