

Flexible Flyers Membership Application

Name: _____

Address: _____

Phone: _____

Email: _____

Dog(s) Name(s)/Breed(s)/Gender(s): _____

Working Membership: \$168.00 every 8 weeks
Non-Working Membership: \$232.00 every 8 weeks

Working Members: When entered in a Flexi trial, you will be put on the worker's schedule for that trial. Working members are required to help with either 2 full days or 4 half days at our trials. In return for this help, you will receive worker tickets which can be used toward entries or toward your class training fee up, to \$20 per 8 week session.

*Failure to meet your working member goals can result in your training fee being raised to the non-working membership fee or your membership being canceled.

Membership privileges and obligations for both working and non-working memberships begin with acceptance of this application, and are good as long as membership obligations are met. Please attach proof of Rabies vaccination(s) with this application. It is your responsibility to update Rabies verifications as warranted.

Member privileges include first priority when joining a new membership class.

Membership fee for a new member or if your membership lapses is \$45.00.

Classes and Attendance: Class size is limited and classes run in 8 week sessions. Training fees are due at the start of each session whether you attend every class or not. Not paying for missed classes may result in the loss of your spot. Members need to attend at least 15 classes in a six month period (Jan-June, July-Dec). Failure to meet these obligations results in membership lapsing or cancelation. Please add your class day and time on the memo line of your check.

Drop in classes are sometimes available at \$35/class. Please check with the instructor.

Moving equipment out of the building is necessary when required by the 4H. **Everyone** is needed to help with these major moves; if there are minor moves needed at the beginning or end of class, please make sure to help.

The above will keep training fair for everyone.

I have read and understand my obligations and commitments to Flexible Flyers Agility and affirm that all of the information I have provided is correct and current.
